Oh, look who's not on time. Mr. Four minutes. What happened? Ah, I thought you were Swiss. But the crew is over here. Oh, I think the crew is on the wrong train. No, we are on the wrong train. Roger, relax. We're not on the wrong train. Oh, we're moving. We're on the wrong train. No, we are. I told you we're on the wrong train. Yeah, that's not the type of name, Roger. Just stop the train. I can't stop the train. Good luck. Stop the train. He has to wait there. What? How? No, it's 9-1-1. Stop. It's too late. Stop the train. Get a phone. He's calling you. He's calling my mom. Why would you bring your phone on a shoot? Come on. Take set off. Interlock. We're on our way to interlock. I don't know. I know. That's two hours away from you. Okay. It's just not that bad. It's not that bad. It's not that bad, right? We're in deep trouble. Huh? We're on a beautiful train. We're just late. Don't use that word. Sorry. Sorry. Wow, my friend. You weren't lying. This place is stunning. Are you seeing this right now? Every time I see it again, I think it's amazing. Can I have a photo? Of course, young man. Yes, we just grab a... Yeah. Thank you. Bye. Bye-bye. I'm a professional, very professional comedian. Worldwide. My name is Trevor Noah. I understand, but you cannot pay me in jokes. That's pretty good. Sorry. Okay, okay, actually, what if I follow you on TikTok? No. Excuse me. I don't have that. I'm a big fan of you. Thank you. You hear that? One fan at a time, Trevor. I'm half Swiss, half South African. He's half Swiss, half South African. Half Swiss, he and half Swiss there. Yeah, we are brothers. From a different mother. From now on, hopefully he listens when I tell him that we're on the wrong train. You're not on the wrong train. That's enough. You're definitely on the right train. Yeah, that we're never on the wrong train. We are on the right train. This has been amazing, man. Can I just say? Yeah. This has been phenomenal. I'm happy we're on the wrong train. It was your fault. I don't know how it against you. It's one of the best trips I've ever taken. I almost wish we could do it again. The train to Luzern is leaving in 45 seconds. Hey!
