

I'm sorry Roger, but this script just isn't funny. But how many times do I have to tell you? It's just tours of that. It's not supposed to be funny. Gentlemen, we are going to start to shoot under training in four minutes. Alright, cool. Thank you. We'll see you in five. Four. Yes. Four minutes. Look, Robert, we don't need comedy. Let's just stick to the grand train tour of Switzerland. Tell everybody how beautiful it is. Just not to do comedy. I'm a comedian, Roger. You're killing me. Oh, just on time. Oh, because not on time. Mr. Four minutes. What happened? I thought you were Swiss. But four minutes. The cruise over here. Oh, I think the cruise on the wrong train. No, we are on the wrong train. You don't have a phone. I don't have a phone. I don't have a phone. Maybe it's a turn of the train. You have your phone? No, I don't have my phone. Why would you bring your phone on a shoot? Come on. We're on our way to interlock it. I don't know what that is. That's two hours away from you. It's just not that bad. It's not that bad. It's not that bad, right? We're in deep trouble. We're on a beautiful train. We're just late. Don't use that word. Sorry. Sorry. Wow, my friend. You weren't lying. This place is stunning. Are you seeing this right now? Every time I see it again, I think it's amazing. Can I have a photo? Of course, young man. Yes, we just grab a... Thank you. Bye. Bye-bye. Usually they also want to picture with me but kids. Pick it, please. They always come. Good day, Gawi. We'll be late for visit. Help me out here. It's it. We got on the wrong train. We also don't have a wallet. Maybe I'll ask them. Do they go? Hello? Tickets, please. Hi. Do you have a ticket? I'm a professional, very professional comedian. Worldwide. My name's Trevor Noah. I understand, but you cannot pay me in jokes. That's pretty good. Sorry. Okay, actually, what if I follow you on TikTok? Noah. Excuse me. I don't have that. We are on the right train. It's been amazing, man. Can I just say? It's been phenomenal. I'm happy we're on the wrong train. It was your fault. I don't know how to hold it against you. It's one of the best trips I've ever taken. I almost wish we could do it again. Training to the zern is leaving in 45 seconds. Hey! Woohoo!
